General No.
No. 71

With reference to Government proceedings No. 269 dated 21st August last, reducing the bill for Rs. 14/- being the cost of sandalwood due to Sree Thennakeswaraswamy's temple at Belur, with certain observations, has the honour to state that the amount allowed in the Budget for the current year has not been drawn.

2. The procedure in former years was to draw the amount from the Treasury like other Establishment charges,

To D.C. Mysore 1129 dy 5/3/98

credit the same under management, but the A.
Officer objected to its being drawn as usual on
ground that the item is not part of the Establish
nor is it a Ready money grant, and Government
sanction had therefore to be sought for since the ite
being included in the printed list received from the
Mysore Secretary's office of Sandalwood allowances
payable to various Institutions in the Province.

3. Whenever necessary Sandalwood was being obtain
from the Forest Department by book adjustments, bu
the Amildar having reported that there was Sandal-
wood available in the Temple the amount was been
credited to the head "Management" since the Dasabhan
1882-83. The devotees having presented a large
quantity of Sandalwood, it is reported that there
is Sandalwood even now in the stores for current
use of the Temple. The Vernacular papers ending
with Amildar's cypher No 78 are enclosed for reference
& obliging return.

4 Requests therefore that the bill may be sanc-
tioned & transmitted to the Comptroller for audit

Hos No. 712 d 17th January 1898 submitting for sanction a bill for Rs 14 on account of the Sandalwood allowance due to the Sri Channa Kesavaswami Temple at Belur for the Year 1896-97.

Has the honor to refer the Dy Commr. to the late Ch: Commrs Pro: No. 3746/217 d 14th Oct. 1872 under which all Sandalwood allowances to Muzrai

Institutions confirmed at the Inam Settlement are payable in Kind and not in cash. The Dy Commr's attention is further drawn to his Office No. 2279/714 of 30th Nov. 1882 and the orders of Govt thereon, conveyed in Docket No 5678/277 of 15th Dec 1882; and under the circumstances explained in the latter, the procedure now reported as having been adopted since the year Chitrabhanu (1882-3) viz, of crediting to the temple savings the amount annually provided in the Mysore Budget for the sandalwood supply to the temple appears to be unauthorized & irregular. The fact that the temple gets other sandalwood for current use in the shape of offerings from

Devotees is no reason why the Inst.ns should receive the Muzrai Sandalwood all.ce in Cash contrary to the principle of the Grant & the explicit orders of Govt.. The latter is strictly payable only in Kind. and the bill for

Rs 14 recd with the docket under reply is ~~accordingly~~ therefore ret.d unsanctioned

As regards the supply of Sandalwood to the Deputy Commr is informed that under the rules & practice in force, applications for Sandalwood to be supplied to the Muzrai Insts should be made by him to the Conservator of Forests who will issue the quantities specified in the Inam Title deed & adjust the charges himself by debiting the same to Muzrai funds in Commn with the Comptr..
